

## Sisseton Wahpeton Oyate Non-Indian Big Game License Process

For the 2020 Non-Indian Big Game season all applicants for Deer licenses will be determined through a lottery system. All applicants can apply online starting 08/08/2020. This online link <http://wso.nagfa.net/online> will be used to apply and determine successful candidates for all Non-Indian Deer (Rifle, Muzzleloader, Archery) tags.

1. All Non-Indian Hunters will be able to enter each big game lottery up to 4 times at a cost of \$10 for each entry. All lottery entries whether successful or not are nonrefundable.
2. The system will allow for multiple automated drawings to assign all available tags. If you are unsuccessful in a particular drawing and there are available tags, your name will be automatically entered into a second drawing until all available tags are assigned and claimed.
3. Hunters that do not draw in a particular lottery will be given preference point the next time they apply for that same drawing in following years. The preference point will be one extra entry for each year a hunter is unsuccessful in drawing a particular tag, up to 10 years. Once a hunter is drawn for a particular tag, the preference is reset to zero.

The first round drawing will take place on August 24th. All successful and unsuccessful applicants will be notified by email. So be sure to provide your email address. Lottery applicants can also view results on the Sisseton Oyate Website. Link for lottery results [http://wso.nagfa.net/online/results\\_lookup.php](http://wso.nagfa.net/online/results_lookup.php)

Upon notification of a successful drawing, hunters may go online and purchase their big game licenses at <http://wso.nagfa.net/online> (tags will be mailed at a later date) . All successful 1st round applicants will have until 09/07/2020 to claim your tag. If you do not claim your tag by the deadline, your tag will be placed in a subsequent drawing and you will be ineligible for the next round. Full payment must be provided to claim tag. Only payment method that will be accepted is a credit or debit card.
