Sisseton Wahpeton Oyate is pleased to announce the ability to send Public Safety Alerts or Community Notifications to our members:

- Text Message
- Email
- Mobile App
- Voice Call

Powered by:

This service is free to all members.

You can go to our website

<http://public.alertsense.com/SignUp/public.aspx?regionid=1458> or use the QR code below to sign up.

Examples of Alerts:

The screenshot shows the AlertSense mobile app interface. At the top, there is a navigation bar with a hamburger menu icon, a search bar containing "My Alerts", and a filter icon. Below the navigation bar, there are several alert cards:

- Flood Zone Evacuation Order:** City of Bellevue, 03/11/15 3:05pm. Description: "Evacuation Order in effect for all residents of Middle Green River Valley! Evacuate people."
- Flood Watch:** Green River Valley, National Oceanic and At..., 03/10/15 3:38pm. Description: "In effect until: 03/12/15 12:00pm. Flood warning in effect for the Green River v..."
- Landslide Blocked Road:** Boise, ID, Ada County Highway District, 02/01/15 3:05pm. Description: "Hill Rd is closed between 36th Street and Crescent Rim St."
- Amber Alert: 2 Abducted Children:** Mill Creek Police, 03/11/15 3:05pm. Description: "Looking for 2 abducted children: Tyrel, a 2-year old and his 8-month old sister. In '97 grey..."

At the bottom of the screenshot, there is a "Severe Thunder Storm Warning" section with three icons: "Alerts" (with a red notification badge), "Map", and "Settings".

This block contains two buttons for downloading the AlertSense app. On the left is a red square icon with a white alert symbol (a bell with a red exclamation mark) and signal waves. To its right are two dark grey buttons: the top one says "ANDROID APP ON Google play" and the bottom one says "Available on the App Store".
