Initial Submission Presentation:

Justice

After the reviewers have determined a project to meet Full-board or Expedited Review, the LRRB Coordinator will schedule the Initial Submission Presentation with PI.

◆ Full-board Review:

The PI is to present the project and respond to questions/comments prior to official LRRB action.

◆ Expedited Review:

The PI is to present the project at the next available meeting whether or not LRRB action has been decided. May also submit a prerecorded presentation to be viewed by the LRRB.

* **Review Fees may be applied**

Initial Presentation Base Outline:

- ◇ PowerPoint preferred
- ◇ Up to 15 minutes
- ◇ Introduction of PI/Co-PI
- ◇ Brief Explanation of Study:
 - ◇ What purpose the project serves in its field of study
 - ◇ Why interested in conducting the study with the SWO
 - ◇ How study is important to the greater population
- ◇ Questions you may have for the LRRB

Pre-Approval of Project Products:

Respect for Persons

All study products are required to be pre-approved, meaning PI is to submit reports, presentations, &/or publications for LRRB review and approval prior to dissemination.

◆ Pre-approval Review Requests for Publications/Presentations:

Reviews are conducted to mitigate undue risks or harms to individuals, community, or resources, & avoid deviation from original intent of approved protocol.

* **Review Fees may be applied**

- ◇ **PI to submit for pre-approval at least 2 months prior to event deadline.** To assure quickest review be sure to submit written script or PowerPoint version of presentation
- ◇ **Form & submission process is found in Axiom on the Pre-Publications/Presentations Request tab**
- ◇ **Pre-approval reviews are conducted while protocol is active, terminated, & closed**
- ◇ **SWO retains ownership, property, trademark, copyright, privacy, & other rights to cultural, linguistic, biological, historic information that is not the intellectual property of the PI**
- ◇ **Approved products will be kept in the SWO Data Repository**

Data Return & Findings Presentation:

Beneficence

All approved protocols are required to return de-identified data for SWO Data Repository purposes. Also, PI's are to share a Findings Presentation with the LRRB per Closeout process.

- ◆ **Termination Notice:** After all data has been collected, including all follow ups, the PI notifies the LRRB by Terminating the protocol in Axiom under the Continuation tab.
- ◆ **Closeout Review:** After PI has analyzed data the Closeout process is to begin, whether or not a product is ready for review.
 - ◇ **Data Return Report:** This report is found in Axiom under the Continuation tab
 - ◇ A data jump drive is preferred, other digital data options may be considered
 - ◇ **Closeout Review Request Form:** A link to this form is found on the Axiom Continuation tab

Findings Presentation Base Outline:

- ◇ PowerPoint preferred
- ◇ Share data analysis findings per project intended goal
- ◇ SWO community dissemination plan
- ◇ Thoughts on future related research, how SWO may use data/findings
