

# Takoja View

Woowoooozers...what a first month back. We have had 305 updated applications, along with daily attendance of 65 members for ages 5-12yr olds, along with the teens around 30 members. It has been a very productive month with the start of volleyball camp, and basketball camp to keep their hearts racing. We look forward to bringing our first community event (EASTER HUNT) to the people with collaboration from the SWC Student Senate body on April 16th. Stay on the look out for our upcoming fliers for weekly/monthly

## Riddles of the Month
